OUR STORY

Our family has always had a deep passion for food - our parents are traditionalists and the source of our recipes; we, the "kids," on the other hand love recreating the well-known Vietnamese dishes with an added twist.

In 2020, we knew that sharing great food with friends was simply not enough; and that was how Saiga started. The menu you are seeing today is basically what we have cultivated as part of serving our family and friends in many celebrations. As we continue to grow, we are grateful for your support; and we make it our goal that every meal we serve is a memorable one for our customers.
